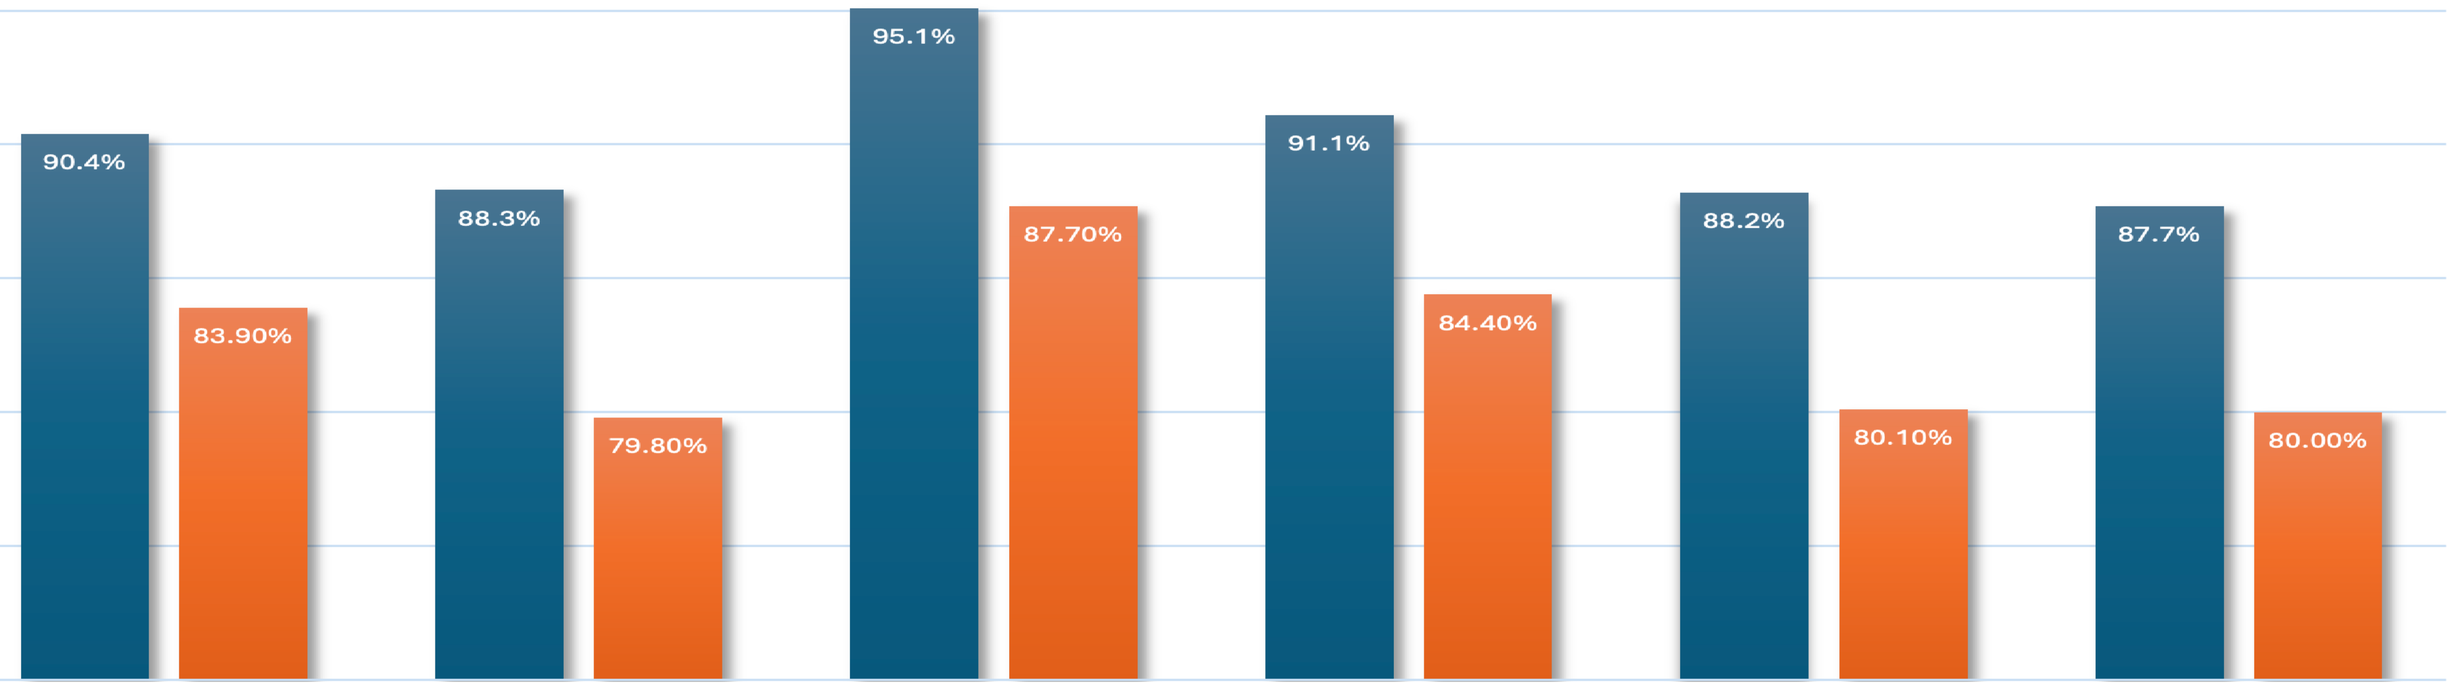
## 2025 ALBERTA EDUCATION ASSURANCE MEASURE RESULTS

Alberta Education Assurance is a set of 12 performance measures calculated by Alberta Education for school and school boards across the province. Schools and school boards are evaluated based on achievement, improvement, and overall performance.



**Student Learning Engagement**

The literacy and numeracy skills your child is learning at school are useful; and your child is learning what they need to know.

**Citizenship**

Students at your child's school follow the rules; help each other when they can; respect each other; are encouraged at school to be involved in activities that help the community; are encouraged at school to try their best.

**Education Quality**

- Your child clearly understands what they are expected to learn at school; finds school work challenging; finds school work interesting; is learning what they need to know.
- Satisfaction with the quality of education your child is receiving at school.

**Welcoming, Caring, Respectful, and Safe Learning**

- Students at your child's school care about each other; respect each other; treat each other well.
- Teachers care about your child.
- Your child is safe at school and on the way to and from school and is treated fairly by adults at your school.
- Your child's school is a welcoming place to be.

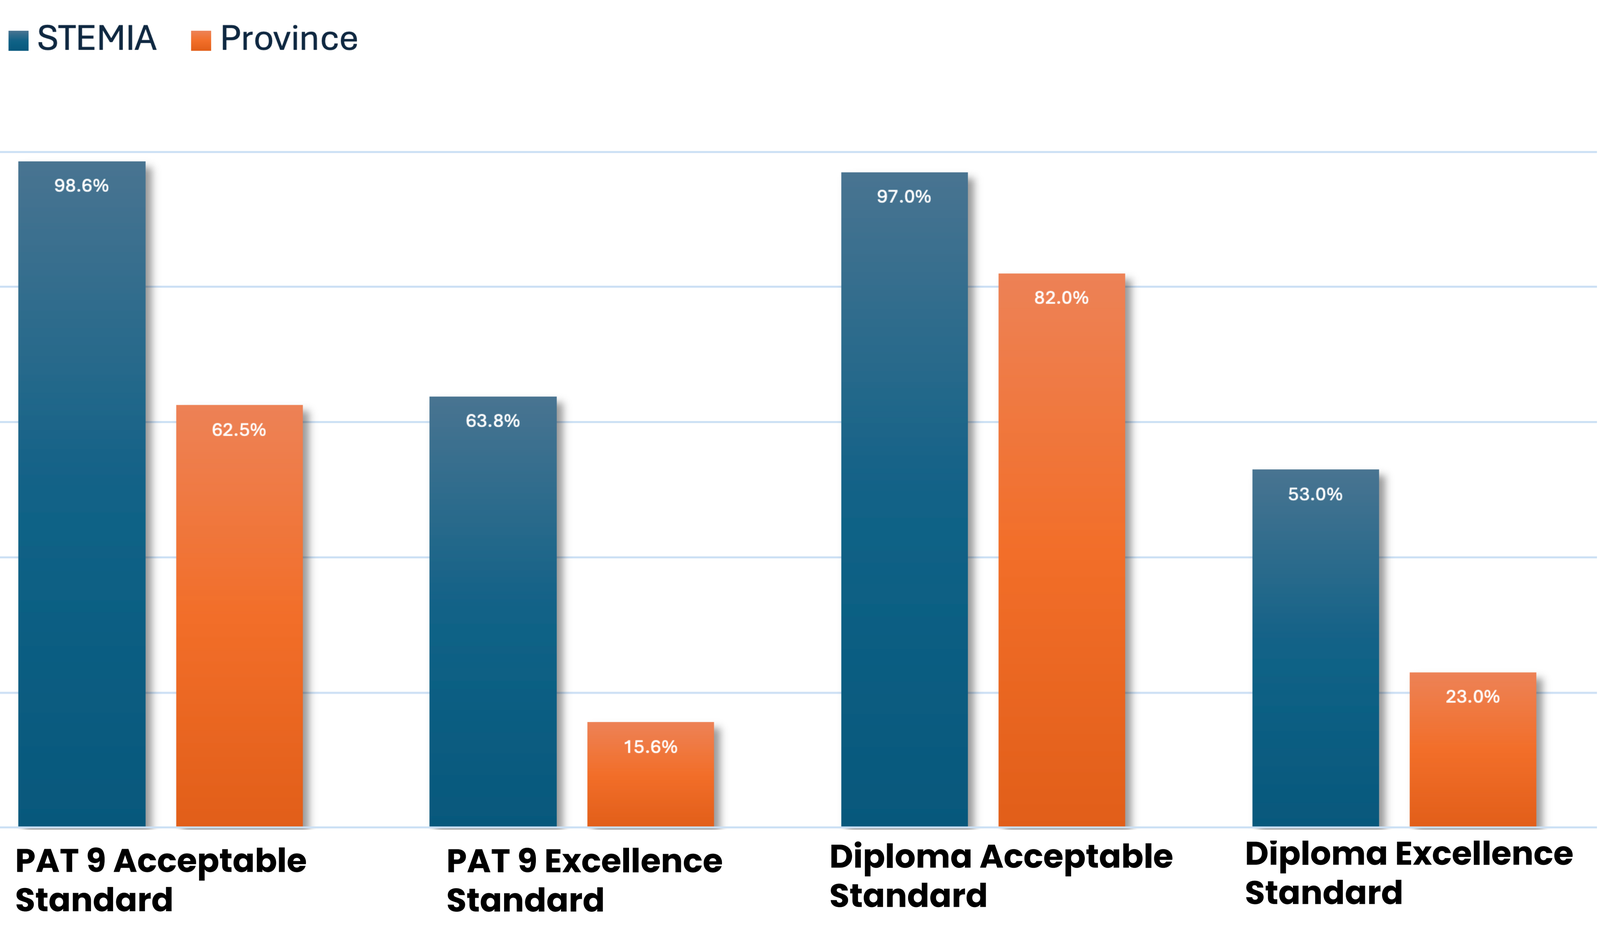
**Access to Support and Services**

- At school, there are appropriate supports and services available to your child to help with their learning.
- Your child can easily access programs and services at school to get help with school work and can get help at school with problems that are not related to school work.

**Parental Involvement**

- Your input into decisions at your child's school is considered.
- You have the opportunity to be involved in decisions about your child's education.

## June 2025 Grade 9 PAT and Diploma Students Achieving the Acceptable and Excellence Standard



## MISSION

Inspiring the next generation to be knowledgeable creators, innovators, and responsible leaders.

## Vision

STEM Innovation Academy will be the premier learning community for the design and advancement of innovative Science, Technology, Engineering, and Mathematics education.
